Blockbuster Sketches

*EPILEPTIC/SEIZURE WARNING

- psychadelic theme
- absolute mayhem (I'm kind of bored of minimalism)
- compilation of my favorite raves/music festivals

- use different blend modes
- glitchy effects
- performer changes depending on time of day?
- glitchiness can be turned off?
- performer can be selected?
- create epilepsy warning screen intro/loading screen
- lyric/poem loops like an infinite carousel •————————

words I placed · words I plac

- performers in mind
  - ODESZA
  - Porter Robinson
  - Madeon
  - Illenium
  - ZHU
